

Qatar - Design, Culture & Coast

Muscat, Oman | 4 Nights / 5 Days

Route: Doha | Type: City, Culture & Desert

Tour Overview

A design-forward loop with skyline views and a desert contrast.

Day by Day

Day 1 — Arrival & Night Souq

Meet & greet at DOH, settle into your hotel, then enjoy a guided souq introduction with time to wander independently after. Learn the best corners for spices, pashminas, and oud. Sample fresh flatbreads from a busy stall if you like. A short drive along the Corniche frames the skyline for photos. Dinner at leisure.

Day 2 — M7, Msheireb & West Bay

Dive into M7, Doha's design hub, to see rotating exhibitions and concept stores that showcase local and regional creatives. Walk Msheireb's shaded streets for galleries and cafés, learning how the district reinterprets vernacular architecture. Afternoon is a pause for rest or a spa session. Evening transfers bring you to West Bay for panoramic dinners or rooftop views. Return with easy logistics handled.

Day 3 — Katara & Coastal Leisure

Spend the day in Katara Cultural Village with galleries, small museums, and beach options. Try a short workshop if available or explore calligraphy and photography exhibits. Mid-afternoon, shift to a beach club for swimming and downtime. As the air cools, stroll The Pearl's promenades for golden-hour photos. Dinner can highlight modern Qatari cuisine.

Day 4 — Inland Sea Adventure

Head out in a private 4x4 to rolling dunes that lead to Khor Al Adaid. Your driver handles tire pressures and routes while you enjoy long views, photo stops, and a sand-boarding try if you wish. A sunset pause over the waterline dunes is the day's quiet high point. Return to Doha for a laid-back evening and final strolls along the bay. Pack at leisure.

Day 5 — Departure

Private transfer to DOH with assistance. Timings and luggage are reconfirmed for a smooth exit. Final memories: design, sea light, and desert horizons. Ma'a as-salāma.
